**AN IMPORTANT UPDATE TO OUR ORDER FORM, AND HOW YOU CAN ORDER DISCRAFT GOLF DISCS: Order UltraStars as normal. Processing time for UltraStar discs may be about 8 weeks.**

Due to the unprecedented demand for Discraft discs this season, we have exhausted our inventory on all golf disc models. As a way of ensuring Discraft can provide our dealers with a steady supply of golf discs, we must make a temporary change to the way we can accept golf disc orders.

You can now place a one-time order or a repeating order to receive a shipment of golf discs to fit your needs and your budget. While we cannot currently offer an option for you to select specific golf discs or weights, you will receive an assortment of discs we have available in each order cycle. Sorry, no returns.

Discraft is focusing its Winter and Spring 2021 production on our most popular golf discs, so the discs we include in your order will all be top sellers. We expect the disc models in production to change regularly from week to week, providing you with a variety of golf discs in each shipment.

**Please submit your order by email, rather than placing a phone order.**

**Repeating orders only need to be submitted one time.**

**We will send you a confirmation once your order is received and recorded.**

**You will receive a UPS tracking number when your order ships. Invoice to follow.**

**Use the order form to order accessories and UltraStar discs when you need them.**

**Accessory orders and UltraStar orders will not automatically repeat.**

**Please notify us by email if you wish to change or cancel your repeating order.**

Most domestic orders should ship twice each month, as stock permits. Most international orders will ship about once per month, as we combine two order cycles into one shipment to reduce ship costs.

Order sizes may be adjusted to align with our available inventory for an order cycle. Only 1 option/order per account.

We will not have the inventory available to accommodate an order for every account.

If you are placing a one-time order and do not want to receive repeating shipments, please check the appropriate box so we only process a single order for you.

The maximum order size is currently 100 discs.

1) Select one of the two options below (one-time order, or repeating order)

One-time order (does not repeat -- maximum of one order per month)

Repeating order (orders to ship about every 3 weeks, as stock permits)

2) Select your preferred order level:

25 assorted GOLF discs (Tier 1 customers and above)

50 assorted GOLF discs (Tier 2 customers and above)

100 assorted GOLF discs (Tier 3 customers and above)
